

CUMAC's August 2015 School Supply Drive

- **IF PREPACKING BAGS, PLEASE** contact our office first for a specific packing list to ensure that bags are packed completely and distributed evenly.
- **GENDER NEUTRAL** items make it easier to give to all kids in need.

Every child deserves to go back to school prepared and excited to learn! During the month of August, you can help provide supplies and book bags for Paterson children in grades K-12. For more information, or to help pack bags, contact Leigh at (973) 742-5518 or lross@cumacecho.org.
